Dear Examiner Johannsen:

In response to our telephone conversation on March 5, 2003 and pursuant to your request, please find enclosed a substitute computer readable form (CRF) copy of the "Sequence Listing" and a substitute paper copy as required by 37 C.F.R. 1.821(e). The Sequence Listing has been revised to reincorporate a portion of the SED ID NO:1 which was mistakenly omitted from the Sequence Listing. Applicants state that the content of the substitute computer readable form copy is identical to the substitute paper copy of the Sequence Listing submitted herewith and includes no new matter, in accordance with 37 C.F.R. 1.821(e), (f) or (g), or 1.825(b) or (d).

Respectfully submitted,

Clare M. Iery, Reg. No. 51,833
